21. Construction of Half Way/Long Stay Homes:- Annual Plan 2014-15 Rs. 2853.00 capital and 10.00 lakhs Revenue)**Scheme for Establishment of Half Way Home (HWH) for Improved Mental Patients Discharged from Psychiatric Center.**

Introduction: The Half Way Home project is to provide a facilitating mechanism for rehabilitation of persons whose mental illness is treated and controlled after their discharge from mental hospitals.

Objective: The aim and objective of the scheme is to provide social integration and socio-economic rehabilitation of mentally improved patients (for 1-2 year stay period for half way home inmates and no period for long stay home).

The need for such Half Way Homes is felt, as the community at large is still hesitant in accepting such persons into its fold. The project is aimed at providing vocational training to such treated and controlled mentally ill persons as well as counseling for them and their families to facilitate reintegration with the family/society. The project is expected to also provide medical advice/treatment relating to their illness so that periodic or occasional psychiatric disturbances can be managed. It is expected that the inmates would be able to get integrated into normal life within a reasonable period of time. The half way homes would be for a group of 25 residential and 100out Patients inmates.

The ultimate goal for majority of mentally ill person is to achieve right to living independently in the community as per article "19" of the UNCRPD. Thus, the provision of services to the mentally ill persons & their families, including residential rehabilitation is only social need but a legal & statutory obligation.

The availability of range of services including rehabilitation services is not only a welfare measure, but within rights of mentally ill persons and their families. The national and international recognition of the human rights of the mentally ill persons has been progressively increasing and they are enforced by legislation and judicial interventions.

There is a need for separate residential rehabilitation facility for persons with psychological disability due to the following reasons:

- Years of neglect to the person with psychological disability.
- Differential need for such groups.
- Most marginalized, highly disabled and disempowered section of the society.
- Ensuring development of residential rehabilitation facility for psychological disabled people on the lines of homes for destitute, children and women as this is the most marginalized and disabled group.

Goals of Rehabilitation in Mental Health:

- Necessary for mentally ill for incorporation back into society
- Ensure smooth transition from acute treatment to rehabilitation back to society
- Provides phase wise application of different type of services for patient/family.
- Should be available, accessible and affordable for all sections of society.
- Prevent Deficit State, Vegetative Existence (in any setting)
- Prevent Homelessness related to mental illness
- Promote self reliance
- Reduce the family's burden

Project Costs :

The facilities will be run by establishment of registered society

In the services to be rendered in the half way home there will be two broad categories:

1. **Institutional services** (residential)
2. **Day Care services** (from neighbouring catchment areas).

For setting up of half way home, building will be constructed with the infrastructure. For the operation of this home, the bare minimum requirements of the staff for implementing the scheme is required for providing services of institutional care and day care services. Two categories of staff i.e the Administrative staff and staff directly involved in patients care including medical/ Para medical staff.

Institutional services and day care services for half way home costly are divided further in two categories i.e (i) administrative manpower cost (ii) beneficiary development cost.

The Deptt. would be opening Five Half Way Homes at the following sites:-

LOCATION	NO OF SITES
Sector 3,Dwarka	One
Sector 3, Rohini	Two
Sector 22, Rohini	One
IFC, Narela	One

A provision of Rs.300 lacs is to be made under this head for revenue purpose(9 months) in respect of all five half way homes/long stay homes taking into consideration that these Homes would be functional for the period of 9 months in financial year 2014-15.

The construction work is in full swing at all 5 units in Delhi i.e. 1.Dwarka 2.Rohini(2 Units) 3.IFC, Narela 4. Rohini. A piece of land has also been earmarked to construct Half Way Home/Long Stay Home at Dallupura. Cost of land has been paid to DDA.
